

The map displays the distribution of the number of children per woman in 1970 across the United States. The data is represented by numerical values plotted at various locations, ranging from 1.0 to 5.0. The values are color-coded: red for 1.0, orange for 2.0, yellow for 3.0, green for 4.0, and blue for 5.0. The distribution shows higher values (4.0 and 5.0) in the Northeast and Midwest, and lower values (1.0 and 2.0) in the South and West.
